

# CALL FOR POSTERS

Third Annual  
Michigan Agri-Energy Conference  
Kalamazoo Radisson, Kalamazoo, Michigan  
March 30-31, 2009

You are invited to submit proposals for research posters that will be presented at the third annual Michigan Agri-Energy Conference. Please feel free to share this invitation with others. Posters should address the following topics: renewable energy resources of wind, biomass, geothermal or solar; biofuels, policies for expanding the use of renewable resources; new technologies in renewable resources, or any other area of renewable energy research of particular relevance to the Michigan agri-energy community. The proposals will undergo a peer-reviewed selection process.

Your poster abstract should be 250 words or less and contain the following information:

- A brief statement of the problem
- Objective
- Methodology
- General results or conclusions

Please do not include any identifying information in the abstract.

Abstracts should be submitted via following link:
